Workshop on AI & Robotics

A two-day workshop on AI and Robotics is organized by the Aryabhatta Science Centre, Boko block & Department of Physics &, in collaboration with IIC, J. N. College, Boko and Sparkbee, Guwahati on 6th and 7th March, 2026. As for the growing demand of technical skills in current automation-driven career opportunities, this workshop is aimed to improve the digital literacy, creativity, critical thinking, social skills and problem-solving skills among the students. On the 1st day (6-3-2026), the students have learned about basics of AI as future workforce. Basic skills on app development using google AI is practiced by the participants. On the 2nd day (7-03-2026), in a day-long hands-on session, the students are upskilled on circuit designing with bread board and Arduino board as basic robotics skills. More than 40 students of different departments have participated in the program.

Program: Workshop on AI and Robotics

Purpose: To provide technical and digital skills on AI and robotics regarding the rising needs of digital literacy

Organizer: Aryabhatta Science Centre, Boko Block & Department of Physics, J.N. College

Date and Time: 06/03/2026, 10 am - 4 pm

07/03/2026, 10 am - 4 pm

Venue: Video Conferencing Hall, 2nd floor, science building, J.N. College, Boko

Resource Person: Mr. Mukut Sharma (Day-1)

Mr. Dipjyoti Kumar & Mr. Pranjal Kalita (Day-2)

Members Present: Dr. Tapan Kr. Dutta (Principal, J.N. College), Dr. Ranjit Baishya (Head, Department of Physics), Mr. Manoj Kumar Das, Dr. Trishamoni Kashyap, Dr. Sushmita Deb, Ms. Monalisa Goswami. Dr. Sangita Das.

No. of student Participants: 42

Glimpses of the program
