Extension Programme on Disaster Awareness and Preparedness at Chakabaha Village on 29.06.2026 by the Disaster Risk Reduction (DRR) Club and the Department of Geography

The Disaster Risk Reduction (DRR) Club, in collaboration with the Department of Geography, J.N. College, Boko, organised an extension programme on 29 June 2026 at Chakabaha Village, Boko, to promote disaster awareness and preparedness among the local community. Students demonstrated practical emergency response techniques, including making improvised stretchers from readily available household materials, administering CPR, providing first aid and bandaging, safely extinguishing LPG gas cylinder fires, and preparing a basic first-aid kit. The programme also covered the fundamentals of disaster preparedness and response, equipping villagers with essential knowledge and life-saving skills. The programme was conducted under the guidance of Dr. Nirsobha Bhuyan, Coordinator, DRR Club and Assistant Professor, Department of Geography, Dr. Kirti Chowdhury, Assistant Professor, Department of Geography, and Mr. Jiten Rabha, Assistant Professor, Department of Geography.
