## From Principal's Desk....

*Warm Greetings !*

As a premier institute of higher education at Boko, Jawaharlal Nehru College has successfully crossed the threshold of its glorious 60 years and this relentless stride continues with renewed vigour to overcome the future challenges on the wait. The college since its inception in 1964 has been fervently committed in the pursuit of knowledge dissemination, preservation and generation.

“The mind is not a vessel to be filled, but a fire to be kindled”. - Plutarch

Jawaharlal Nehru College as a leading institute of Higher Education in South Kamrup is committed in the pursuit of knowledge dissemination, preservation and generation in fulfilment of its noble vision of moulding responsible individuals for leading a society with desire for progress and prosperity by kindling the mind in the pursuit path of knowledge acquisition, preservation and propagation spreading the wings of fire for all round development of the student.

“Give a man a fish and you feed him for a day; Teach a man to fish and you feed him for a lifetime” –Maimonides

The regular dissemination of knowledge of Jawaharlal Nehru College bolstered with NEP 2020 has left no stone unturned in promoting Skill and Entrepreneurship development. As a testimony to this mission, the college has launched the Entrepreneurship development Cell supported by North East Council (NEC). The institute is also adequately gearing for offering Internship programmes as per the mandate of the GU course. These multidimensional exposures pledge to transform the life of the students by providing skill empowerment.

It is a firm conviction that the path of progress of our HEI would proceed undauntedly with sincere and diligent staff of the college and indispensable co-operation, association of various communities in Boko for reaching greater heights in the field higher education.

With these words, I welcome all the budding aspirants to join Jawaharlal Nehru College family.

### **Brief History of the College:**

During the early sixties, the ideas of opening an institution of higher education in the remote part of South Kamrup came to the mind of the people of Boko area Late Prabin Kumar Choudhury, the then Minister of Transport, Assam, who represented the Boko Constituency of the Assam Assembly and Late Achyut Kanta Adhikary took the leading role in the establishment of a college at Boko and he was given the charge as part time honorary In-charge Principal & Secretary on 1st August 1964. In the

long run, the college came in to existence on 3rd August, 1964 and named it after the hallowed memory of Pandit Jawaharlal Nehru, independent India's first Prime Minister who had breathed his last on 27th May in that year. The liberal policy of the Gauhati University in granting the affiliation to colleges of rural areas extended a positive support of this institution to emerge. Under the stewardships of Prabin Kumar Choudhury and Achyut Kanta Adhikary, the institution has made remarkable progress. His Excellency the Governor of Assam was pleased to allot 100 bighas of land (33 acre approx.) for the college at Jarapara V.G.R., two km west of Boko Police Station on the northern side of NH-37. On 1st of September 1965, Mr. J.C. Nath took over the charge of full time Principal of the institution and served the college till 31st May 1995. Thereafter, the college received 1st Degree Affiliation in the year 1967 from the Gauhati University. The Arts stream received Deficit Grants in Aid on 1st September 1969. The college was provincialized from 1st December 2005. The Science stream was started in the year 1986 and on received Deficit Grants in Aid o 25th March 1998.

From its inception the college has traversed a steady course towards expanding its academic and infrastructural needs. At present there are 14 departments with honours, nine in Arts stream and five in Science stream. Beyond that the college has initiated PG courses in Assamese and Mathematics, Post Graduate Diploma in Computer Application, some career oriented and vocational courses to cater to the needs of the students of the locality.

At present the college has grown up into a full-fledged well-known institution with academic excellence and co-curricular activities, particularly in the field of games and sports, culture, literature and social activities. The college is going to celebrate its glorious Diamond Jubilee year from August, 2023. To identify its strengths and weaknesses in the present-day context the college has got itself accredited by the NAAC for its third cycle this year and accorded with B++ grade. After receiving the prestigious Star Status from the DBT, Govt. of India in 2019, our college has set a benchmark and became the first college of Assam to receive Star Status from the Department of Biotechnology Govt. of India. To equip our youths with 21st Century skill, the college is planning to establish a "Remote Pilot Training Organization" (Drone Pilot training) Centre in collaboration with NECTAR, a Govt. of India organization to start DDCA approved Certificate Course from this academic Session.

From the academic session 2023-24, Four Year Undergraduate Programme (FYUP) under Gauhati University have been introduced in the line of NEP 2020 and admission will be done through the SAMARTH-e suit platform introduced by the MOE, Govt of India.

From the academic session 2025-26, the **Integrated Teacher Education Programme** (ITEP) is launched by the college after formal approval by NCTE. Under this programme, NTA or National

Testing Agency conducts the National Common Entrance Test (NCET) for admission to the 4 Year ITEP in the college.

**Location:** The college is situated at a distance of 60 kilometers west of Guwahati. The college is well connected with Guwahati, the capital of Assam by road and railway services. The cardinal point of the college is 25.570 North and 91.12° East. The college is standing on the National Highway No. 17. The interstate boundary between Assam and Meghalaya is just 10 km south of the college and Chamaria, a village of Vaishnavite culture is located at 13 k.m. North. The inter district boundary between Kamrup and Goalpara is a distance of 10 k.m. West of the college.

**College Emblem:** The burning flame at the center of the emblem represents the spreading of knowledge. The rose above the basement of the emblem represents the fragrance of wisdom. The name of the college is engraved on the circumference of the emblem with the motto of the college encrypted in Sanskrit as “Saa Vidya ya vimuktye’ which means education is that which liberates.

### ***Our Vision***

To set a hallmark in the field of education and preserve, create and disseminate knowledge through teaching, learning, innovation and experimentation to mould responsible individuals for leading a society with desire for progress and prosperity of human race.

### ***Our Missions***

- To inculcate a value system amongst students for boosting moral, ethical and social responsibilities for development of human resources.
- To enhance the academic environment with an aim to fulfil the demands of NEP 2020 and cater to arising needs academic and co-curricular in nature with developed competency.
- With a rich ethnic diversity around, the college has a mission to engage the expertise

of the qualified pool of faculties in the process of identification, experimentation and preservation of resources and traditional knowledge and simultaneously develop awareness for its sustenance and continuity.

- To create conducive environment with facilities enriching provisions for promotion of quality research
- To enrich the college-community link by creating a sustainable learning environment based on learning pedagogy with aid of digital technology for an enhanced experience for both the learners and educators.
- To foster scope for skill development in tandem with national 'Atmanirbhar Bharat' for building self-sustenance, adaptability and scope for employment.
- To strive towards academic excellence with exposure to digitized learning and also promote the indigenous art, culture, craftwork as well as participation in sports and games.
- To widen scope of resource mobility of college by working on viable areas of production and thereby grow as a self-sustaining institute.
- To develop the college as one of the best colleges in the state with state-of-the art facilities for education
- To make higher education a part of the social environment through community participation and sustainable development to eliminate social evils that persists in the region and thereby create social harmony.

**Courses of Studies:** The college has been offering following courses on regular basis :

1. Two year Higher Secondary (H.S.) courses in Arts and Science under AHSEC.
2. Four Year Under Graduate Programme for Science and Arts Stream (Commencing from the session 2023-24 under NEP) under Gauhati University
3. CBCS Post Graduate Degree Courses in Assamese and Mathematics,
4. Post Graduate Diploma in Computer Application (PGDCA).
5. Integrated Teacher Education Programme (ITEP) (Commencing from the session 2025-26)

### **Add-On Self-Financed Courses under various departments:**

Certificate Course in Mushroom Cultivation & Utilization, Certificate Course in Montessori Method, Certificate Course in Human Rights and Duties, Certificate Course in Spoken Bodo, Certificate Course in Spoken Rabha, Certificate Course in MS office & Tally ERP 9, Certificate Course in Chemdraw Ultra 8.0-Chemical Structure drawing tools, Certificate Course in Origin 8.1- Graphical Scientific Data Analysis Software, Certificate Course in Basics of Automobiles, Certificate Course in Data Science & Foundation.

## **ADMISSION PROCEDURE**

### **ADMISSION IN H.S. PROGRAMME UNDER ASSEB**

Admission procedure is purely online. An applicant has to go through the following steps to apply online-

**Step 1 :** An applicant has to visit DARPAN portal of ASSEB and to apply for admission giving necessary information. They have to select Jawaharlal Nehru College in the college name. Our college will select students from the DARPAN portal as per capacity of the college in each stream. The merit list prepared through DARPAN will be displayed in the college website/portal and admission will be held as per date, venue and time to be declared by the college in notice board and in the college web portal [www.jncollegeonline.co.in](http://www.jncollegeonline.co.in).

Moreover students have to apply in the college online portal also. For this they have to visit the college website [www.jncollegeboko.ac.in](http://www.jncollegeboko.ac.in). Then click on “Online portal” button available in the website. A new page will open up where the applicant has to click “Apply Online”.

**Step 2 :** The applicant should click “New Enrolment” and when new window will open up he/she will have to register by filling up required fields. The applicant should have a valid Email ID (preferably at Gmail) and a mobile number for registration. Login by using your mobile number as user ID and giving your own pass word. Only One mobile number can use by one applicant.

**Step 3 :** After successful registration the applicant will have to fill up the admission form as per his/her requirement. Along with other details he/she should put bank accounts details like Bank name, branch, account numbers, IFSC.

**Step 4 :** Then he/she has to upload his/her passport size photograph and scanned signature there.

**Step 5 :** The he/she should upload scanned copies of following documents :

- Last examination Mark-sheet.
- Last examination Certificate.
- Caste Certificate
- NCC/Extra Curricular Certificate (Where applicable)
- Front page of Bank Passbook/ Cheque
- Gap certificate (Where applicable)
- Migration Certificate (For applicant of other states)

**Step 6 :** Before final submission the applicant will review the filled data for any necessary modification. If any correction/modification needed he/she will make the correction and then submit the form by clicking “Final Submission” button. Applicant should remember that once submitted there is no scope of correction of filled data.

➤ **Admission Schedule will be published in the Notice Board and in the Notice section of our college website.**

## TOTAL NUMBER OF SEATS IN H.S. 1<sup>ST</sup> YEAR

| Sl No. | Course                                                       | Qualification                                                | No of Seats                  |

| 1      | Higher Secondary<br>(H.S.)1 <sup>st</sup> Year in Arts       | HSLC or Equivalent examination passed Recognized by<br>ASSEB | 480 @ 160<br>In three groups |
| 2      | Higher Secondary<br>(H.S.)1 <sup>st</sup> Year in<br>Science | HSLC or Equivalent examination Passed Recognized by<br>ASSEB | 120 (one group)              |

## COMBINATION OF SUBJECTS FOR H.S. 1ST YEAR (ARTS)

| GROUP A : COMPULSORY SUBJECTS |                                              |
|-------------------------------|----------------------------------------------|
| 1. English                    | 2. MIL (Assamese/Bodo) / Alternative English |

### GROUP B : ELECTIVE SUBJECTS

Student admitted in the H.S. 1st Year (Arts) can opt any three subjects from the following:

- (i) Education (ii) Economics (iii) Political Science (iv) Geography (v) History  
(vi) Anthropology/ Mathematics

### GROUP C

One Subject is compulsory to opt from the following :

- (i) IT (ii) Fine Art (iii) Advance Assamese (iv) Advance Bodo

## COMBINATION OF SUBJECT FOR H.S. 1ST YEAR (SCIENCE)

| GROUP A : COMPULSORY SUBJECTS |                                                |
|-------------------------------|------------------------------------------------|
| 1. English                    | 2. MIL (Assamese / Bodo / Alternative English) |

### GROUP B : ELECTIVE SUBJECTS

(A) Student admitted in the H.S. 1st Year (Arts) can opt any three subjects from the following:

- (i) Physics (ii) Chemistry (iii) Mathematics (iv) Biology  
(B) (v) Anthropology (vi) IT/ Fine Art

## ADMISSION IN FYUGP B.A. & B.SC. PROGRAMME UNDER GAUHATI UNIVERSITY (as per NEP-2020)

Admission procedure is purely online. An applicant has to go through the SAMARTH Admission Portal through the link <https://assamadmission.samarth.ac.in>

### *Important Instructions to enter the SAMARTH admission portal*

1. Name and other details entered by the applicant need to be the same as in the **Class X Board Mark sheet**
2. Applicant can log in to the admission portal through their **registered email address, only.**
3. Applicant must use his own **active** email address.
4. The Email address provided by the applicant must be functional and the applicant must have access to it throughout the admission process.
5. Applicants are encouraged to use latest version of **Google Chrome** web browser for filling the application form.

### Documents to upload in SAMARTH

1. Recent passport size photograph image
2. Scan Copy of Signature of the student
3. Domicile Certificate
4. Scan Copy of HSLC/ Equivalent Registration Certificate
5. Scan Copy of HSLC/ Equivalent Admit Card
6. Scan Copy of HSLC/ Equivalent Marksheet
7. Scan Copy of HSLC/ Equivalent Pass Certificate
8. Scan Copy of HS/ Equivalent Registration Certificate
9. Scan Copy of HS/ Equivalent Marksheet
10. Scan Copy of HS/ Equivalent Pass Certificate
11. Scan Copy of Bank Pass Book
12. Scan Copy of Cast Certificate (if applicable)
13. Scan Copy of Disability Certificate (if applicable)
14. Scan Copy of TGL or Ex-TGL Certificate (if applicable)

Once the online registration is over, students can take admission in his/her college of choice as per merit list published by the different colleges.

A student who has to apply for admission in B.A./ B.Sc. programme in our college he/she must

has to apply in our college portal [www.jncollegeonline.co.in](http://www.jncollegeonline.co.in) also.

**The date of admission will be as per Government notification.**

### **Required Subjects available in B.A./B.Sc.**

#### **Four Year Under Graduate Programme (FYUGP) under Gauhati University as NEP**

|                                                                          |                                                                                                                 |                                                         |                                                         |                                        |                                          |
|--------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------|---------------------------------------------------------|---------------------------------------------------------|----------------------------------------|------------------------------------------|
| <b>CORE-1/Major</b><br>( any one from the following table in one stream) | <b>CORE-2/Minor</b><br>( any one from the following table in same stream except the subject selected in core 1) | <b>MULTI DISCIPLINARY</b><br>( as per list given by GU) | <b>VALUE ADDED COURSE</b><br>( as per list given by GU) | <b>AEC</b><br>( ENGLISH & ANY ONE MIL) | <b>SEC</b><br>( as per list given by GU) |
|--------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------|---------------------------------------------------------|---------------------------------------------------------|----------------------------------------|------------------------------------------|

#### **Available Subjects**

|                           |                                                                                                                        |
|---------------------------|------------------------------------------------------------------------------------------------------------------------|
| <b>For Science Stream</b> | <b>Mathematics, Physics, Chemistry, Botany, Zoology, Anthropology, Geography</b>                                       |
| <b>For Arts Stream</b>    | <b>Assamese, English, Bodo, Anthropology, Education, Economics, Political Science, Geography, History, Mathematics</b> |

#### **Important Notes:**

1. If a student opts PHYSICS-1 in Core-1 option, then he must has to choose MATHEMATICS-2 in Core-2 option.
2. If a student opts BOTANY-1 in Core-1 option, then he must has to choose CHEMISTRY-2 in Core-2 option.
3. If a student opts ZOOLOGY-1 in Core-1 option, then he must has to choose CHEMISTRY-2 in Core-2 option.

4. The subject that a student will choose as Major Subject from 4<sup>th</sup> Semester, He/She must has to select the same subject in Core-1 in 1<sup>st</sup> semester
5. Same subject cannot be repeated in Core 1/Core 2
6. A student can opt any two from Botany/ Zoology and Anthropology

#### **Total Number of Seats in Different Streams**

| Sl. No. | Course                       | Qualification                                                           | No. of Seats |
|---------|------------------------------|-------------------------------------------------------------------------|--------------|
| 1.      | B.A. First Semester Arts     | H.S. (Arts) Final (ASSEB) or Equivalent Examination (CBSE/ICSE etc.)    | 700          |
| 2       | B.Sc. First Semester Science | H.S. (Science) Final (ASSEB) or Equivalent Examination (CBSC/ICSE etc.) | 200          |

#### **SEAT CAPACITY IN DIFFERENT SUBJECTS (ARTS STREAM \_ UG PROGRAMME)**

| Subject                      | Assamese | Anthropology | Bodo | Education | Economics | English | Geography | History | Pol.Sc. | Math |
|------------------------------|----------|--------------|------|-----------|-----------|---------|-----------|---------|---------|------|
| <b>No. of Seats In Major</b> | 70       | 40           | 40   | 55        | 40        | 55      | 40        | 40      | 55      | 10   |

#### **SEAT CAPACITY IN DIFFERENT SUBJECTS (SCIENCE STREAM \_ UG PROGRAMME)**

| Subject                      | Mathematics | Physics | Chemistry | Botany | Zoology | Anthropology | Geography | Economics |
|------------------------------|-------------|---------|-----------|--------|---------|--------------|-----------|-----------|
| <b>No. of Seats In Major</b> | 50          | 40      | 40        | 40     | 40      | 10           | 10        | 10        |

#### **SUBJECT COMBINATION IN FIRST SEMESTER OF FYUGP :**

According to new NEP-FYUGP pattern of Guwahati University, a student of B.A./ B.Sc. 1<sup>st</sup> semester has to select two core subjects and four common subjects.

The common subjects are in the following fields :

Value Added Course (VAC), Multi-Disciplinary Course (MLT), Ability Enhancement Course (AEC) and Skill Enhancement Course (SEC)

**The List of available subjects combinations for Core 1 & Core 2 in B.A. 1<sup>st</sup> semester is. (Core 1 and Core 2 must be two different subjects)**

**The List of available subjects combinations for Core 1 & Core 2 in B.Sc. 1<sup>st</sup> semester ---**

| <b>Core 1* (Major or Minor 1)</b> | <b>Core 2 (Minor or Minor 2) (Choose any one)</b>              |
|-----------------------------------|----------------------------------------------------------------|
| Mathematics                       | Physics, Chemistry, Anthropology, Geography                    |
| Physics                           | Mathematics                                                    |
| Chemistry                         | Physics, Botany, Zoology, Mathematics, Anthropology            |
| Botany                            | Chemistry                                                      |
| Zoology                           | Chemistry                                                      |
| Anthropology                      | Botany, Zoology, Physics, Mathematics, Chemistry               |
| Geography                         | Anthropology, Botany, Zoology, Physics, Mathematics, Chemistry |

**\* Students applying in- one major & one minor category must has to select the major subject in core-1 column.**

#### **POST GRADUATE COURSES : M.A. in Assamese & M.A./M.Sc. in Mathematics**

| <b>Departments</b> | <b>Courses</b> | <b>Minimum Qualification</b>                                                                | <b>No. of seat</b> |
|--------------------|----------------|---------------------------------------------------------------------------------------------|--------------------|
| Assamese           | M.A.           | Minimum 50% marks in B.A. with Assamese (Honors) as per guideline of Gauhati University     | 30                 |
| Mathematics        | M.Sc.          | Minimum 50% Marks in B.Sc. with Mathematics (Honors) as per guideline of Gauhati University | 30                 |

NB. The admission will be held through Common Admission Test organized by Guwahati University, The admission details are made available in the Guwahati University website ([www.gauhati.ac.in](http://www.gauhati.ac.in)) in due time.

#### **ADMISSION FEES FOR POST GRADUATE COURSES**

| <b>Department</b> | <b>Courses</b> | <b>Fees</b>     |
|-------------------|----------------|-----------------|
| Assamese          | M.A.           | 14,000 (Annual) |
| Mathematics       | M.Sc.          | 20,000 (Annual) |

### **Integrated Teacher Education Programme (ITEP) :**

| <b>Stream</b> | <b>Programme</b> | <b>Minimum Qualification</b> | <b>No. of seat</b> |
|---------------|------------------|------------------------------|--------------------|
| Arts          | ITEP             | HS or equivalent exam passed | 50                 |
| Science       |                  | HS or equivalent exam passed | 50                 |

**NB: The admission will be held through national common entrance test organized by NTA.**

### **CRITERIA FOR ADMISSION IN TO CAREER ORIENTED COURSES**

| Name of Courses                                          | No of Seats | Minimum Qualification | Duration | Base Department   |
|----------------------------------------------------------|-------------|-----------------------|----------|-------------------|
| Certificate Course in Mushroom Cultivation & Utilization | 20          | H.S. Passed           | 3 Months | Botany            |
| Certificate Course in Montessori Method                  | 20          | H.S. Passed           | 3 Months | Education         |
| Certificate Course in Human Rights and Duties            | 50          | H.S. Passed           | 3 Months | Political Science |
| Certificate Course in Spoken Bodo                        | 20          | H.S. Passed           |          | Bodo              |
| Certificate Course in Spoken Rabha                       | 20          | H.S. Passed           |          | Assamese          |
| Certificate Course in MS office & Tally ERP 9            | 20          | H.S. Passed           |          | Economics         |

|                                                                                     |    |             |  |             |
|-------------------------------------------------------------------------------------|----|-------------|--|-------------|
| Certificate Course in Chemdraw Ultra<br>8.0-Chemical Structure drawing tools        | 60 | H.S. Passed |  | Chemistry   |
| Certificate Course in Origin 8.1- Graphical<br>Scientific Data Analysis<br>Software | 60 | H.S. Passed |  | Chemistry   |
| Certificate Course in Basics of<br>Automobiles                                      | 30 | H.S. Passed |  | Physics     |
| Certificate Course in Data Science &<br>Foundation                                  | 50 | H.S. Passed |  | Mathematics |

NB. The career oriented courses are add on courses. Students may pursue these courses parallel with their B.A. or B.Sc. Course. For admission students are advised to contact respective course coordinator.

#### **MEDIUM IN THE RESPECTIVE COURSES**

| Course                                        | Medium             |
|-----------------------------------------------|--------------------|
| H.S. (Arts & Science)                         | English & Assamese |
| B.A. (Honours & Regular)                      | English & Assamese |
| B.A. for the subject Bodo (Honours & Regular) | Bodo               |
| B.Sc. (Honours)                               | English            |
| B.Sc. (Regular)                               | English & Assamese |
| M.A. in Assamese                              | Assamese           |
| M.Sc. in Mathematics                          | English            |

#### **Rules & Regulations of the College**

The affiliating University has introduced FYUGP (NEP : 2020) in its undergraduate course from 2023.

This course will be conducted as per the regulations of the Gauhati University as reproduced below :

- The Four year degree course will be of eight semesters covering four calendar years.
- Classes of 1<sup>st</sup>, 3<sup>rd</sup>, 5<sup>th</sup> & 7<sup>th</sup> semesters will commence from June to November every year.
- Classes of 2<sup>nd</sup>, 4<sup>th</sup>, 6<sup>th</sup> & 8<sup>th</sup> semester will commence from December to May every year.
- 16<sup>th</sup> June to 16<sup>th</sup> July will be the period of semester break. Students' performance will be monitored throughout the semesters by continuous assessment and evaluation in the theory and practical courses on the basis of both Internal & External Evaluation.
- Internal evaluation will be conducted on the basis of attendance, sessional examination, Home assignment, seminar and library works.
- External evaluation will be done on the basis of final examination conducted by the affiliating university at the end of every semester.

11. The decision of the college authority in any matter relating to library is final and binding.

### **Departmental Library :**

All the Departments of the college have their own departmental library from which students can borrow books complying with the rules laid down by the concerned department.

### **Infrastructure and Facilities**

#### **Digital Class Rooms :**

The college is equipped with two audio-visual digital class rooms with all modern teaching facilities.

#### **Laboratories :**

With the financial support from University Grant Commission, Departmental Laboratories are set up with all modern equipment's and amenities. For the convenience of the students, laboratories are connected with digital generator for uninterrupted power supply.

### **Advanced Level Bio-Tech. Hub**

Jawaharlal Nehru College has established an Institutional Biotech-Hub in January, 2011 with well equipped laboratory and infrastructural facilities for teaching-learning and carrying out research in the field of Biology/Biotechnology. It was sponsored by DBT Govt. of India and implemented by North Eastern Region, Biotechnology Programme Management Centre (NER-BPMC), through Biotechnology Consortium India Limited (BCIL). After regular monitoring based on performance the DBT has been promoted to the Biotech Hub I the session 2016-17 with additional equipment and manpower grant.

### **Museum**

Departments of Anthropology, Botany and Zoology have been maintaining departmental museums with good number of precious collections of material culture and specimens.

### **Computer Lab**

The college has three computer laboratories:

1. One computer Lab in the science building.
- 2, One in the Department of Mathematics.
3. The college has also another computer lab in collaboration with NIELIT, Guwahati, under Department of Electronics & Information Technology, Ministry of Communication and Information Technology, Govt. of India to extend IT facility for the college fraternity.

### **Star Status Scheme**

Five science Departments Mathematics, Botany, Chemistry, Physics and Zoology of the college have come under DBT Star Status Scheme from 2019. Earlier these five departments received grants under DBT Star College scheme for more than three years. Degree students of science can avail various facilities like Laboratory visits, Field Visits, Seminars, Student Resources Project etc. under this scheme.

### **Girl's Hostel**

The college has one Girl's Hostel with 76 facilities. Admission is purely on merit basis.

### **Language Lab**

The college has a well equipped language Laboratory under the Department of English for the development of the language skills of students as well as teachers.

### **G.I.S. Lab**

To facilitate advance research activities in Geo informatics and other disciplines, the college is equipped with a G.I.S. laboratory for academic and research purposes.

**Sports Facilities**

The college has been providing the following facilities to facilitate sports activities among students, teachers and other beneficiaries-

Mini outdoor Stadium, Indoor Stadium with two synthetic Badminton courts along with facilities for Table Tennis, Gymnasium Hall, Synthetic Volleyball Court, Swimming Pool and Play Ground.

**Auditorium cum Community Hall**

The college has an auditorium cum community hall to organize cultural events, meetings and different college activities which has a seat capacity of nearly 1,000 people.

**Smart class cum Conference Hall**

The college has a well equipped smart class room cum conference hall for the use of students and teachers and the stakeholders.

**Common Room For Students**

The college has provided separate Girls' and Boys' Common Room for recreation with adequate space having indoor games facilities.

**Teacher's Common Room cum Conference Hall**

The college has a common room cum Conference Hall for teachers equipped in indoor games and recreational facilities.

**Drinking Water Facilities :**

The College has taken utmost care to provide pure drinking water in the college premises. In addition, the college has also installed a cold drinking water system for the students.

**Power Supply**

The College is equipped with two 35 KVA generators for the purpose of providing uninterrupted power supply for smooth management of the college activities.

**Internal Quality Assurance Cell (IQAC)**

The college has an Internal Quality Assurance Cell (IQAC) to sustain the quality of Higher Education. The Cell constantly guides all activities and performances of the Teachers and Students.

**J.N. College Science Forum**

J.N. College Science Forum was established with an aim to promote the scientific empowerment among

the rural people and young generations of greater Boko area and to create awareness and interest on basic science. The Forum in collaboration with some other agencies arranges popular talk, exhibition, health campaign, environmental awareness programme etc. at a regular interval of time.

### **Aryabhata Sciece Centre, Boko Block**

Aryabhata Science Centre of Boko Block was established in 2011 under the Department of Physics which is catalysed by ASTEC, Govt. of Assam and funded by Department of Science and Technology Govt. of India. The activities of the centre are taken up in the interior parts of the Boko Development Block to create awareness of science education among students at secondary level through the practice of 'learning by doing' method and thereby promote scientific temperament among rural masses and consequently avail benefits of Science and Technology in their day to day life. Students are encouraged to take up activity based programmes and there by facilitating them to participate in national level Science and Technology programmes.

### **Rover and Ranger Units**

Rover and Ranger unit of the college, under Bharat Scout and Guide, Assam has been participating in different creative events organized in the college as well as outside the state. The purpose of the movement is to develop young people as responsible citizen committed to the service of the mankind. So far, the volunteers of the unit have made us proud bagging a number of prizes in different events organized outside the state. Altogether 14 Rangers of the Unit have received the award of Rajya Puraskar from the Hon'ble Governor of Assam during the period of 2015-2017. During the year 2020-21 the unit secured first position in Lakshmi Mazumdar National Award.

### **National Cadet Corps (N.C.C.)**

The NCC unit of the college is a voluntary organization of the students under the ministry of Home affairs. The unit has been constituted recently to inculcate the sense of patriotism, nationality, self discipline, national integration, building up of sound and moral character and building the leadership quality among the students. The Cadets are given basic military training in small arms and parades.

### **Students' Aid Fund**

The college has been providing financial aid to poor meritorious students of economically backward families. The students under this section may apply to the Principal to avail the aid.

### **Students Scholarship**

The regular students can avail following scholarships strictly on merit basis.

1. National Scholarship, Govt. of India.
2. Ishan Uday Scholarship (NER), UGC, Govt. of India.
3. State merit scholarship, Govt. of Assam.
4. SC/ ST/ OBC/ MOBC/ Differently abled/ Tea garden labourer scholarships, Govt. of Assam.
5. Nirman Shramik Scholarship.

### **Students travel concession**

Students may avail second class train fare concession for academic excursion from the Ministry of Railway, Govt. of India.

### **Award for Academic Excellence**

#### **Kulendra Narayan Mazumdar Memorial Award**

Student securing highest marks (not below CGPA 7) in Mathematics (honours) in TDC Final Examination. (The award carries cash prize of Rs. 5000/-)

#### **Akan Chandra Patowary Memorial Award**

Student securing highest marks in Economics honours in TDC Final Examination. (The award carries cash prize of Rs. 5000/-)

#### **Durgeswar Das Memorial Award**

Student securing highest marks (above 80%) in Mathematics in H.S. Final Examination. (The award carries cash prize of Rs. 5000/-)

### **Jawaharlal Nehru College Students' Union (JNCSU)**

Jawaharlal Nehru College Students' Union (JNCSU) is a democratically elected body of students' representatives. The body works towards all round development of the students by organizing different cultural, social, literary activities both in and outside the college campus. It is the platform for the development of leadership quality of the students. Election to the Students' Union is held during the month of September of each academic session.

### **College Magazine**

The college publishes its Magazine 'JAWAHAR JYOTI' in every academic session. Articles are invited from both students and teachers as well as interested writers to contribute to this magazine. The magazine is considered as the mirror of the college and all possible care is taken by the magazine Secretary and the Professor-in-charge to maintain the standard of the magazine.

**Cultural Unit**

The Cultural Unit of the college has been playing a great role in fulfilling its mission of spreading the colourful cultural heritage of the locality.

**Centre For Gender Studies**

With a vision to promote women empowerment and gender equality the Centre for gender studies has been contributing towards the progress of academic and co-curricular aspects, related to women employees and Girl students in particular and the all round development of women of society of the Boko area. Periodically academic and other programmes are organized with the vision of creating a healthy atmosphere for a gender friendly community within the college and the society.

**Grievance Redressal Cell (G.R.C.)**

The Grievance Redressal Cell of the college deals with all types of grievances, complaints and malpractices including those received from students, faculty and other stakeholders. The cell comprises of Principal, Vice-Principal and any three senior Heads of the Departments selected by the Principal. The grievances and complaints are to be put in the complaint box available in front of the office of the Principal and prompt actions are taken to redress the lodged complaints.

**Information and Career Guidance Cell (ICGC)**

The information and Career Guidance Cell of the college, creates awareness of career prospects, self employment and entrepreneurship among the students. It also provides internet & Photostat facilities for the benefit of students.

**National Service Scheme (NSS)**

To build up the leadership quality among the students and to bridge the campus with the community the NSS unit of the college has been undertaking different activities since its inception. In order to motivate and instill the sense of service towards the community, N.S.S. camps are organized both inside and outside the college.

**Internal Complaints Committee (ICC)**

The ICC works as a task force to ensure safe working and learning environment for women employees and girl students so that they may carry out their academic and professional responsibilities. It monitors the existing security arrangements for girls and women within the college and provides an environment conforming to Supreme Court guidelines and UGC recommendations.

**Anti Ragging Cell**

As per the judgment of the Honourable Supreme Court, 2009 and the rules framed by UGC on curbing Ragging in higher educational institutions, the college has its anti ragging cell. To check the menace of ragging the entire campus has been put under the surveillance of CCTV.

**Right to information cell (RTI)**

Complying with the RTI act 2005 of Govt. of India, the college has constituted a cell involving some of the senior teachers and office assistant.

**Disaster Response Cell**

To educate and create awareness among the students of the college in order to face and manage the event of manmade and natural calamities, the college has constituted a disaster response cell comprising some of the teachers, office staff and members from the students. This cell has already organized a number of programmes on disaster response and management with the district authority.

**College Canteen**

The college canteen provides hygienic, nutritive food and beverages during college hours.

**Name of the Principal : Dr. Tapan Dutta, M.Sc. Ph.D.**

**Name of the Vice Principal : Mr. Pranab Kumar Sarma, M.Sc. M.Phil.**
