Report on Observation of International Women's Day- IWD 2023

Date: 8/3/2023

Link: <https://meet.google.com/cyo-tnti-uko>

Theme

DigitALL: Innovation and Technology For Gender Equality

The Centre for Gender Studies and IQAC, J N College, Boko observed in full spirit International Women's Day by broaching on the theme DigitALL: Innovation and Technology For Gender Equality.

The online celebration beginning at 7 PM on 08/03/2023 was organized through the created link <https://meet.google.com/cyo-tnti-uko> and joined by college fraternity and students. After the welcome address of the Principal, Dr Tapan Dutta, and with due permission from the Principal, the event took off with address of the Coordinator and Introduction of the theme. Thereafter, the President took over the session and invited speaker Dr Swati Kiran, Assistant Professor, Dibrugarh University, Assam to highlight on the said theme. The informative and statistical details provided by the speaker added to the knowledge repository and benefitted the audience.

The event was further enriched with experience based knowledge shared by various faculty members followed by Q & A session amongst the audience.

The entire event was qualitatively enriched with recitals from staff substantiating the theme and resonating the spirit of development of women with particular reference to the digital world. The celebration concluded with a vote of thanks.
