

Observation of World Rhino Day 2023 Ecoclub, J. N. College, Boko

On 22nd September, 2023 World Rhino day was celebrated in JN College, Boko. It was a combined program of ECO Club and the Department of Zoology. The aim of the day is to celebrate five rhinoceros species and to create awareness about the threats faced by these five species living in Asia and Africa. Mr Simanta Medhi, a young Research Scholar of Aaranyak delivered the talk. During his talk he highlighted the importance of rhinoceros in ecosystem and about the threats faced by the species. Poster making competition was held among UG students. Dr R Chetry, HOD, Department of Zoology explained the purpose of the program. Around 60 students participated in the event.
