From:

Dr. Tapan Dutta
 Principal,
 J. N. College, Boko

Criteria I: CURRICULAR ASPECTS

1.1.1 Curricular Planning and Implementation:

The Curricular Planning and implementation at JN college Boko is guided by the framework of Gauhati University, Where the college is affiliated. This ensures a standardized approach to education across the institution. The College strictly follows the syllabus prescribed by Gauhati University for all undergraduate and postgraduate programs across fourteen (14) departments in UG program and in Mathematics and Assamese department under PG programme. This ensures uniformly in the academic standers across affiliated colleges.

The curriculum emphasizes core subjects within each discipline, providing students with a strong foundation in their chosen field of study. The College of follows a well-defined academic calendar, outlining the key dates for admissions, classes, examinations and other important events. This ensures a structure and organized academic year. The college offers arrange of support services to students including mentoring, remedial classes etc. This ensures that all students have the necessary support to succeed academically. Based on the academic calendar and routine, the respective Head of the Department distribute workload to faculty members prior to class commencement. The curriculum planning and execution is ensured through streamlined activity of record maintenance of class, leave of the teachers, syllabus distribution, course progression, examination schedule, tutorial class along, with mentor mentee records by the Head of the departments in their HODs' diary. Documentation of classes taken and details of extra classes or extra-curricular activities recorded in the LOG book. The college utilizes available ICT tools for optimal curriculum delivery. The Central library, an important curriculum support through its rich repository of resources. JN College Boko has recently implemented the **NEP 2020** syllabus, introducing a more holistic and interdisciplinary approach to education. The syllabus emphasizes interdisciplinary learning, connecting different subjects and fostering a holistic understanding.
