

Celebration of National Mathematics Day-2021
Organized by Mathematics Dept. J N College, Boko
Under DBT Star Status Scheme
22nd December, 2021

The National Mathematics Day is celebrated on 22nd December every year in India, on the Birth date of Great Indian Legend Mathematician Sir Srinivas Ramanujan. The department of mathematics, Jawahrlal Nehru College, Boko is also celebrating this auspicious day organizing interesting events among students. In this year a day long programme is taken which includes a talk on 'Life and Works of Ramanujan' delivered by Dr. Dhira Kumar Das, a spot writing competition on 'Mathematics in everyday life' and an interesting Quiz competition on mathematics conducted by Dr. Dipankar Sarma.

Total 200 students/teachers of nearby schools and college participated in this event. The competitions were open for the students from class IX to XII. At the end of the competitions prizes are given to the winners.

Some moments of the event:

Dr. Dhiraj Kr. Das
