

WORKKSHOP ON “CHROMATOGRAPHY AND ITS APPLICATION”

Organized by Department of Botany and Department of Chemistry

In collaboration with Advanced Level Institutional Biotech Hub, J.N. College

Date: 18th & 20th August, 2018

Resource Person: Dr Dibakar Chandra Deka, Professor,

Dept. of Chemistry, Gauhati University, Guwahati, Assam

Participants: 3rd and 5th semester students

A two day long workshop on chromatography methods was jointly organised by Department of Botany & Chemistry in collaboration with Advanced Level Institutional Biotech Hub, J.N. College on 18th & 20th, August, 2018. Dr Dibakar Chandra Deka, Professor of Department of Chemistry, Gauhati University has participated as resource person in this workshop. Dr Dibakar Chandra Deka has elaborately described the various types of Chromatographic methods which are used for analytical purposes in both biological and chemical science. The student has been given hands on training about the separation methods of paper chromatography, thin layer chromatography and column chromatography in this workshop. Research associate Dr Rekha Borah and Research scholar Ms Jayshree Goswami assisted the programme.
