

Hands on Training on Basic Bioinformatics for Beginners.

Finance By: DBT Star College & Biotech Hub.

Date: 19-02-19 to 23-02-19

Resource Person: 1. Dr. Pranjan Barman

Asst. Prof. Dept. Of Biotechnology

Gauhati University

2. Dr. Anirudha Sarma

Asst. Prof. Dept. Of Biotechnology

Gauhati University

3. Dr. Akan Das

Asst. Prof. USTM Meghalaya

Brief Report: A hands on training on Basic bioinformatics for beginners was organized by the department of Botany on 19-02-19. The workshop was financed by DBT Star College Scheme and advanced level biotech hub of the college. The B.Sc. 6th semester students participated in the workshop. Dr. Pranjan Barman, Asst. Prof of Dept. of Biotechnology Gauhati University, Dr. Anirudha Sarma Asst. Prof of Dept. of Biotechnology Pandu College and Dr. Akan Das Asst. Prof of USTM , Meghalaya have participated as resource person of the said workshop. The students were able to know the basics of Bioinformatics, various tools used in bioinformatics and the trends and scopes of bioinformatics from the workshop.
