

Online Scientific Lecture

Algae of our ponds: Friend or Foe

Organised by: Department of Botany

Date: 27/07/2020

Platform: Google Meet

Resource person: Dr. Partha Pratim Baruah
Professor and former head,
Dept. of Botany, Gauhati University
Ph No. – 9435402257

During covid pandemic period, the department had organised online scientific lecture for the benefit of students. For this we have invited eminent resource person from different fields. The first lecture was delivered by Dr. Partha Pratim Baruah, Prof. Dept. of Botany, Gauhati University. Dr. Baruah enlightened the students on the topic “Algae of our pond: friend or foe”. Faculty members of several departments and students were participated in the said webinar. In this lecture Dr. Baruah highlighted different aspects of algae including its harmful aspects.
