

Hands on Training on “Bioinformatics for Beginners”

Date: 19th to 23rd December, 2017

Resource Person: 1. Dr. Pranjan Barman, Asst. Prof
Dept. of Biotechnology
Gauhati University
Ph No. – 919859947743

2. Dr. Akan Das, Asst. Prof
USTM, Meghalaya
Dept. of Applied Sciences
Ph No. - 8011726712

The workshop i.e. Hands- on- training on “Bioinformatics for Beginners” is organised by the Advanced level Institutional Biotech Hub of J.N. College, Boko in collaboration with the Department of Botany, J.N. College. This program was held for the 6th semester students of the Botany Department of the college from 19th Dec to 23rd Dec, 2017. We have invited Dr. Pranjan Barman Asst. Prof, Dept. of Biotechnology, Gauhati University and Dr. Akan Das, Asst. Prof. Dept. of Applied Sciences, USTM, Meghalaya as Resource Person. The resource person briefed about the various databases, retrieval methods, DNA and protein sequences, various online and off line software related to bioinformatics, 3-D protein structure etc. in the workshop.
