

Interdisciplinary Hands on Training on Bioinformatics Tools and Techniques

Date- 13-12-2021 & 14-12-2021

Resouce Person:

1. Dr. Manas Das,
Assistant Professor,
Department of Zoology, Gauhati University
2. Dr. Kishor Sharma,
Research Associates,
Department of Zoology, Gauhati University

On 13th and 14th December, 2021 the Department of Zoology organized a hands on Training programme on Bioinformatics tools and techniques. Dr. Manas Das, Assistant Professor, Department of Zoology, Gauhati University and Dr. Kishor Sharma, Research Associates, Department of Zoology, Gauhati University were invited as Resource person. The programme was inaugurated by Dr. Tapan Dutta, principal of the college. On 13th December Dr Manas Das delivered the lecture on Bioinformatics and he covered different aspects of it. The second day of the programme is fully Hands on Training and the Training was carried out by Dr. Kishor Sharma in the Computer Lab of the college. The participants did different Bioinformatics practical under the supervision of Dr. Sharma. Altogether 44 participant including five faculty members were present in the said events.
