## NEWS LETTER

**Diamond Jubilee Year : 2023-24**

Published by IQAC in July, 2024

### From Principal's desk.....

It is a matter of sheer joy and immense pride to announce the publication of Jawaharlal Nehru College's Annual Newsletter brought out on Diamond Jubilee Celebration year (2023-24). This Newsletter stands as a testimony to the achievements of our college in a three-pronged approach involving students, faculty, and various stakeholders of the college. In this brief index there is the showcase of the inspiring and challenging journey of the college which left no stone unturned to continuously strive on the path of fulfilling the vision of the college.

In compliance with the noble vision and in line with NEP-2020, the college as a cohesive unit has witnessed recently the successful implementation of the NECTAR's first of its kind DGCA approved "Drone Pilot Training School" at our college and completed training for 10 qualified rural women from north east region. The school will continue till 2034.

In view of the upholding the collaborative spirit and harnessing viable opportunities in the field of academics, research and development as well as faculty and student exchange program the college has signed three significant MoU's with Dawn Town University, University of Science and Technology, The Royal Global University, Yuvan Educative LLP and AMTRON in the recent times.

The college with twin objectives of providing student and teachers disciplinary and professional knowledge in an integrated way will very soon offer the Integrated Teacher Education Program (ITEP) of NCIE. Courses like BCA, Physical Education will very soon be introduced in the course curriculum. Under PMKVY -4.0 and Ministry of Skill Development & Entrepreneurship in coordination with NSDC, various skill courses will be floated with a target group of 240 students. Under the mission Amrit Sarovar with an objective of conserving water our college holds the privilege of developing one such large pond. Not only with an aim of fishery but for developing agro forestry work, the college is gradually developing the area with an aim of boosting self-sustained economy after the successful implementation of the Rubber Garden within college campus. The college is happy to announce that NECTAR supported a banana fibre processing unit and serve the purpose of solving unemployment problem in the locality and boost the economy. To promote Entrepreneurship college setup one EDC sponsored by IIE. It is a matter of pride for our college that under the Directorate of Cultural Affairs, Govt. of Assam, a cultural centre for the promotion and sustenance of the rich and vibrant culture of the area, the Bishnu Jyoti Cultural Centre is already underway.

I wish the college fraternity for holding intact this kindled spirit of striving for excellence and continuously working for a better self and healthy society. Long Live JNC.....

Dr. Tapan Dutta

Different Events at College

### Academic Achievement of JNC students in 2023-24

The hallmark of JNC over the years has been inspirational. With the majority of enrolled students not being able to shine academically in their early education, excelled in their respective courses pursuing here under constant guidance and mentoring of teachers. This has definitely led to an excellent passing record and has brought laurels in all respect. The results shown by the students of Jawaharlal Nehru College in the UG & PG final examinations are good in consecutive years. Some students have shown very good performance in the National Level tests also. Mr. Nekib Ahmed, Mr. Devid Tamuli, Miss. Ani Rabha cleared JAM in Mathematics and Miss Nishashmita Bodo in Chemistry and they have qualified for admission for M.Sc. in IITs and NITs for this year.

In the CBCS UG programme, total 300 students appeared in the B.A. Final examination, of which 248 have successfully completed the final Examination and in B.Sc. Final Examination, total 123 appeared, of which 100 have successfully completed their examination in 2023.

In M.Sc.(Mathematics) & M.A. (Assamese), PGDCA programmes also students have shown very encouraging result. In 2024, HS final Exam, Out of total 478 successful students in Arts Stream, 33 secure 1<sup>st</sup> division and out of 115 successful students in Science stream, 38 got First division.

### Cultural Achievement of JNC students in 2023-24

The result of youth Festival

- 1<sup>st</sup> Prize in Folk Dance : Priyatoma Rabha, Angeeta Rabha, Bhumika Das, Pratisha Mesh, Rakesh Rabha, Sristi Rabha, Dipankar Bora, Himanshu Rabha, Jugal Rabha
