7 DAYS FACULTY DEVELOPMENT PROGRAMME (FDP) ON 'PROGRAMMING WITH PYTHON, R & MATLAB'

Organized by
Department of Mathematics (UG&PG) & IQAC
Jawaharlal Nehru College, Boko: Assam
Sponsored by
D. B. T. Govt. of India

Background of the FDP.....
 Programming languages involve tasks such as analysis, algorithm generation, profiling algorithm's accuracy and implementing the algorithm in a chosen field. It has very important role in learning and doing research. Moreover skill based knowledge is very necessary in every stage of education system in the current situation. Giving importance on this, UGC includes as many programming languages in the current UG and PG syllabus in different disciplines as a core or skill enhancement subject. Accordingly, teachers are also to earn expertise in these new fields to teach their students effectively. At the same time continuous upgradation with necessary knowledge and skill is also important for every individual associated with teaching and research.
 Keeping above views in mind, the department of Mathematics (UG & PG) of Jawaharlal Nehru College, under DBT Star Status Scheme has organized this FDP on- 'Programming with Python, R and MATLAB' with applicability on Mathematics, Statistics, Physics, Bioscience, Chemistry, Economics and so many other disciplines.....

Date: 28th June to 4th July, 2021
